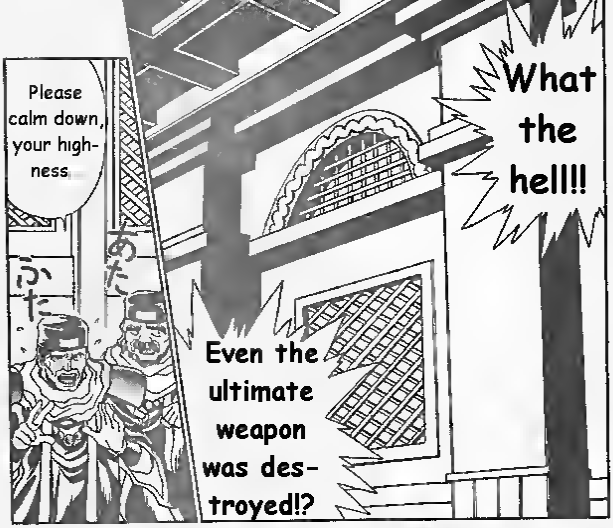
Chapter 4:

Dream Encounter



Please calm down, your highness
What the hell!!
Even the ultimate weapon was destroyed!?

All right, let's make our next move!
And if you make another mistake
Then, the Mark of the Brave one appearing on his forehead was true...

Then I, Zorgon, the Dark Dragon King...
shall handle this myself!

He is still in the "Goddess Room"
Has Judas returned?
Order someone to keep watch on him!
Yes sir!
That man... As a knight, he should act steadily
yet he has made many random killings lately...
and is not following orders!
you're going to betray me?
Judas... could it be that ..

...
Thanks!
Ya'r not half bad either.
You're not such a bad guy after all!
Farewell, Manillo!!
Really? Ri~ight heh
Don't be silly. They are just one o' our good clients!
Seems like you're gonna miss them Eh, boss?

.....
It's the first time I see mere clients making you put that happy look.
'Cuz I've worked with you for years and yet...
And yet...
We may walk on completely different paths...
Mebbe' one day, we'll meet again
After all da' world is an intriguing place!

I'm afraid we'll run into many traps from now on
We are getting close to the Dark Dragon capital!
Now listen everyone!
Don't show any sympathy for strongers from now on!
Dork drogons might disguise themselves os onyone from other clons
Erm
!?

I'm Ah-Di ...
Please, I need your help!
As long as we can do it, we'll be happy to help you!!!
Huh, what is it?
RYU !!!
What did you JUST told us!?
Can't you remember!?

There's someone who was attacked by a dark dragon priest, and has been asleep for a long time...
I was hoping that maybe you could please dispell the curse.
Thank you.
DANG TOO!!
We are in a bit of a hurry now.
Please tell us quickly.
I'm very sorry We can't help you
We have no skilled magicians among us
...
There's a little sister waiting for the awakening of her brother!!!
PLEASE!!

It's not that far anyway
Mmm
Besides, since we asked her what was wrong, we can't just let her down like that
Gilliam, let's go
IDIOT!!
Thank you
Hehe~

They were taken away by dark dragon soldiers...
to dig for the "Goddess key".
Most of the people from this underground village are no longer here.

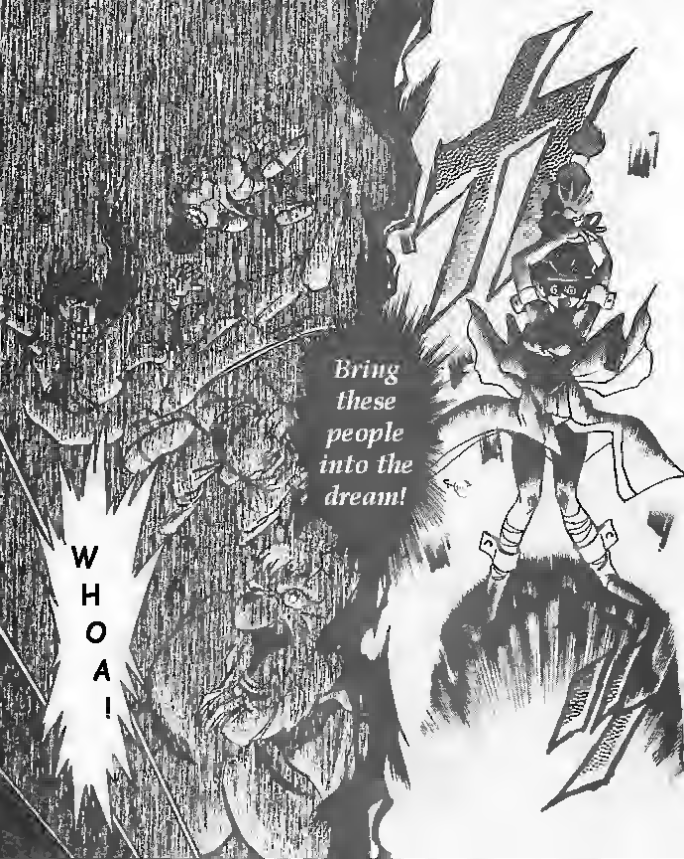
Damned dark dragons Even the children are getting involved in this hell!
and the children
They only left behind the elderly

His name is Mogu
He is the only one who fought back the Dark Dragon raid
But in the end, he was cursed and locked in his own dream.
Is there a way for us to dispell this curse?
There is one...

However, it is a dangerous task
You'll have to enter his dream using this "Therapy Pillow"
Stimuli from the outside world does nothing
Any mistake, and you could end up trapped inside the dream as well
Sir, please think this carefully
Ryu

Migu feels so lonely!
When will my brother wake up?
Really!?
Don't worry He will wake up soon
You are Mogu's sister?
Then it's ok
We'll help too!
Let's do it!
I've already decided

Ynu all must cnma hack!
Nina, if anything gnes wrong, we're cnun-ting nn you!
Okay, I'm ready
Sealed gate "Salebei"* orders you to open up inmediately!
*Alternate name of the "Therapy Pillow".



Bring these people into the dream!
WHOA!

So are they gone?
"SIGH"
"SIGH"
You don't seem to care for their fate at all!
Even if you cry and yell over here, it won't make any difference for them!
Didn't I told you that the dream world is completely isolated from the outside?

Huh?
If dark dragon soldiers were to attack now... I don't think I would be able to save their heads.
Actually what I'm currently afraid of is that...
Something is wrong with this woman
Let's hope they come back soon
You should pray for them all!

!?
And who might you all be?
It's easy to catch a cold like this.
Wake up
WE'RE HERE TO WAKE YOU UP!!!
Huh?

The dark dragons attacking us?
I think you have all slept over your head.
Wait, wait.
We live quite a normal life here
Nothing like that has ever happened
See?
The villagers are all right

It's an hallucination created by his peaceful mind
It's Mogu's dream after all.
Im-possible.
I'm really blissful.
Isn't my sister also here?
Bro-ther!

This world
Ah?
This is not right
IS A BIG FAKE!!

That's nonsense.
Haha.
Mogu, please recall your latest, unfortunate memories.
Wailing!
Villagers being captured.
Like your sister being hurt.

Ah?
WHOA!
Pay attention to what is now inside you!
That behind you is a barren desert
The true current state of your heart!

And what is tha~ ...!?
I haven't found the thing I want.
...I can't.
Come back with us. Migu is waiting.
WHA..!!
RYU!

Hmph There's nothing I can't do
I determine the lifes of man in their dreams
DAMN IT! WHY IS AN ENEMY HERE!?
Is Mogu's subconscious attacking us?
I am Sigmund*, the Dream Devil!
I'm one of the four devas of the Dark Dragon warrior ranks.
*This highlander is called Mote in the US translation of the game.

A re-action
Ah!
Argh!
What is happening?
Probably because Ryu and the others are being attacked by the Dream Devil They are in danger!
Mogu is starting to fight back.
The death of your dream self equals the death of your own mind and the gets carried to the outside causing the body to die as well
Why not?
Are you trying to scare me? Can we really die in our dreams?

You despi-coble dork dragon
I'M WAKING THEM NOW!
The attack of the Dream Devil!
Good thing Gilliam left me to watch over them
So you knew it all!
The fact that you can die in the dream!
DO NOT touch the outline
Else all of them will die
YAAH!

So the light dragon can't fight back?
Hmph
I'm not even sweating!
HOW USELESS!!!

The one you came to rescue is digging for something
Huh?
Bones maybe? Haha
Where is it?
Got to find it!
Where?
Where?
Where?
Where?
You have no right to insult him-
You -
USELESS!!
You lowly coward!

You've said way too much.
Now get up!
What were you saying!?
ARGH!
We've not fallen yet!
Stop it now!

Don't do anything irrational.

It was for long too long
And I ended up forgetting everything that was important
I, like them
also slept for a long time
Perhaps I would have kept sleeping until my body decomposed...
Had it not been for Ryu's battle cry awakening me.
Is she really an enemy?

If you all can pass this test
That's why I have to help you people
This is all for your sake!
What will come of it will be
The best for every-one!

What is done, is done!
You have lost too much.
All the things you've lost form your precious item.
WAKE UP MOGU!

But now, the "thing" your heart desires is already within you.

You can't get back... what is already lost.

Got it!
Let me send you all in a one-way trip to heaven!
You annoying, pestilent bugs!
What!?
Mogu!
The thing I was searching for
I have finally found it!

It is the power
To protect people around me
The power to admit my faults
Huh!?
Migu is waiting for me I have to return
Thank you

BEGONE!
Should be easy prey
Well then Before they awaken I'll get those two women there
He dis-pelled it!
Good think I made it back Still, what a shock!

WHO IS THE PUNK PLAYING WITH FIRE!?
Ha ha h...
Huh?
And I was in such a good mood.
Now I'm getting angry!
Wha..?

What bad luck ...
For you to meet me, Deis, like this!
You! You are that legendary sorceress!
Ah Di, you ?
You all pass the test I'll join your group
Nice to meet you

I'm not staying to battle such a monster!
Gotta run for it!
He's heading to the children house!
!!
Outta the way!

WHOA!
When did this dwarf got so strong!?
RYU!

HAAAA!

Everything is moving on as per your orders
Mm~ we already have enough of that...
The time is ripe...
for us to start our plan
Understood
Master.

There's a foul stench around here
What is wrong?
Sir Judas the emperor
One ordered by a fool to keep watch on me
You'd better not go in there I've just exterminated a bug
HA HA HA HA!

It wos the only woy to know of your true potentiol
Please excuse me for testing you.
I've heord about it
Then, what is it thot you were trying to test?
That's why I need a gang of people capable of sealing her off again.
Someone is now trying to revive her.
Have you heard about the "War of the Goddess" 2000 years ago?
Just like in the story!

About my age... that matter bothers me.
Then you... you've been around for...!?
Anyway, you all pass the test.
!!
You've been already counted in.
I have to save the villagers! I'm going to convince my sister.
I can do the digging, or anything!
Please allow me to help!

I SWEAR IT!!!
.....
RYU, I'LL KILL YOU AND AVENGE MY FAMILY!
No... that was not Ryu's doing...
I can't believe that *thing* could still be used!

It's all my fault!
And it shouldn't have been used *here*, of all places...
ゴオオオオ
I can't believe it!
Then all of this...
But, if that were to be true...
That thing is at least 2000 years old...

And the one responsible for this...
IS OUR ENEMY, RYU!!!
Hear my call, people of the Dark Dragons!
Our capitol city full of civilians was wiped out in an instant!
WE CAN'T FORGIVE THIS!
He slayed our kind mercilessly!
We must do all we can to protect our people.
THEY WILL BE CHOPPED TO PIECES!!!
WE MUST CAPTURE RYU AND HIS COMRADES. NO MATTER HOW IT'S DONE!

These are my orders!
Now go, my people!
Hee hee.. the rage spreads like wildfire as I can see

WHAT!? They've all...
WHO DARES
Judas! You did this!?
Do you truly intend to betray me!?
The era of our goddess' ruling truly begins!
From now on
Zorgon your time has already ended

You are hopeless.
Compared to her, you are like a puny ant.
That's madness! Are you insane!?
The goddess Myria!?
SHUT UP AND DIE!
ドガ

JUST WHAT ARE YOU TWO DOING!?
Eeh...!?
Ryu~ Let's take a break ♥
THEN WHY ARE YOU LEANING SO CLOSE TO HIM!!
I just asked him to take a break.
Not much.

Nina... Have you ever done something to help Ryu?
N-NO!!
I'm not...
Ooh~
Are you JEALOUS?
That's nothing
Let me rephrase it: Do you have the power to protect his life?
Of course I have!
Cooking and healing his wounds

I can use powerful magic. Spells that can save everyone from a pinch
What about you? What can you do?
You are just...
A BURDEN TO EVERYONE!
SHE'S JUST A GIRL!!!
ENOUGH!!!!

Hey, that's too much!
Nina!
Wait up!
However, I'm no girl I am an adult
Then you shouldn't be harsh like that
Did she forgot the fact that I'm also female?
*Getting rid of the competition Yikes

But... she is right...
I truly am a burden to you
She did not mean it
Don't mind her
Nina! Don't go!
Ryu...
AND I MEAN IT!
I DON'T THINK SO!

WHOA!
Are you a Dark Dragon!?
NOW I CAN FINALLY AVENGE MY WIFE AND SON!!!
I'VE FINALLY FOUND YOU!!!

NOW GET READY TO DIE!!!
I AM NOT THE ONLY ONE WHO SAW THE DESTRUCTION FROM THE HUGE WHITE DRAGON!!!
Don't mess with me!!!
What are you talking about? Tell me!
SHIIIT!!!

Calm down!
Do you have any proof that I was that white dragon?
The scar on your forehead THAT'S THE PROOF!
That white dragon ...
SHARES THAT SAME SCAR!!!
Wha...?
I knew I was no match for you...
NOW WE BOTH DIE!!!
AND THEN WE GO MEET MY WIFE TO APOLIGISE!!!

GUYS!
Deis, am I glad to see you!
You are such a slowpoke Ryu.
Huh?
This can't be!
You don't need to throw away your life like that.
Hey, fellow. We should talk this over.
NOW MY WHOLE CLAN HAS DIED IN VAIN!!
DAMNIT!!! I'M A COMPLETE FAILURE!!!

We do get it and that's since
It's not like we don't understand your sorrow
WHA..!?
YOU RE NOT THE ONLY ONE WHO LOST HIS FA-MILY!!!
SCREW YOU!!!
WE'VE FELT WORSE THAN YOU DO NOW!!! AND IT WAS YOUR CLAN'S DOING!!!
ALL OF OUR FAMILIES SUFFERED THE SAME FATE AS YOURS!!!
SINCE YOU ARE ALL THE SAME!!!
Ah ... I...
YOU HAVE NO RIGHT TO BLAME ANYONE...

But I sow it with my own eyes
If he didn't do it, then who!?
It wos general Judas!
But I must inform you that it has nothing to do with us
And of course that wasn't Ryu
If you believe me or not, thot is up to you
You are..
What!?
MANILLO!

How come you're so sure?
But the weapon s destruc tive power was real
That s what Judas used!
It was developed with the sole purpose of eliminating the goddess She didn't even flinch...
The thing that reduced Scande to dust was a 2 000-year old weapon ..
thot was once used in the war of the goddess
The one who sold him that weapon...
Be- cause I...
IT WAS ME!!!

A long time ago, Judas asked me to find that ancient artifact
I though it was just useless junk, since it was 2 000 years old, so I just went and sold it to him
I was too careless!
General Judas?
AND KILL SO MANY OUT OF THE BLUE!!
BUT I NEVER THOUGH HE WOULD BE ABLE TO USE IT!!!
BEING SLAUGH-TERED IN AN INSTANT!
When I was happily counting my profit for that deal, behind me, thousands of people were...

But I'm not as rotten...
As ta harm people for profit!
I've done many a business in ma' life...
An' many o' those weren't pretty...
Please let me join ya guys.
Of course I can...
I'll fight 'till the end even if ya refuse!
Understand what you feel!

ゴゴゴゴ
LET'S NOT WASTE ANY MORE TIME!
WE GO TO ZORGON'S CASTLE... NOW!
That's the final form of the Kaiser dragon!
Good going, Ryu!

Allright everyone, let's go!
Eh... umm.
DEIS, BRING EVERY-ONE TO THE CASTLE!
Why don't you come with us...
and find the real cul-prit of this mess?
Okay, no pro-blem.

IT'S THERE!
?
Ryu, the dark dragons have been acting funny lately...
Naw all of 'em seem ta be after each other's throat!
After what happen'd ta Scande, all hell broke loose
I can't shake the feelin' that sumthin's tryin ta destroy 'em from inside
Such a thing hasn't even happen'd before.
Pretty weird stuff.

Who cares!
TRE CAS-TLE IS ALL RUT OES-TROYEO.
I heard Judas is in the Room of the Goddess'

*
Ah, it has already begun.
!!
RARH!
I CAN'T HE LOOKS STRANGE.
LIKE HE IS UNDER SOMEONE'S CONTROL.
RYU! LOOK OUT!

"TAP"
Ryu!
It's a good thing I made it.
JUST WHO ARE YOU?
YOU...

My my. You haven't changed, have you.
I remember. You saved me once!
And now you come and slay Zorgon. What are you up to!?
When you receive help from others, you should properly thank them first.
Didn't I taugh you that?

My lost sister, Sara!!!
You're alive
Sis!
Ryu!

I couldn't let general Judas knew that I'm still alive.
I've been spying him and secretly helping you guys.
I'm so sorry.
How come you didn't let me know?
Five of her six seals are already broken.
The goddess is about to resurrect ...
But that is so dangerous!
Let me see the 'King's Key'.
Ryu...

Thank you, Ryu!
No problem.
I hid it in the necklace you gave me.
I always carried it tied under my hair.
Ryu, she has the same scar as ya!!!
!!

I have the last key. Finally!
Of course!
We are siblings, the same blood.
WHY!?
Sara? Sis...

Please sis, come back!
You all fell in our trap!
HA HA HA!
We won't be able to recover it once that jerk takes the key!
Don't blame me for what's coming!

The time for my resurrection

That huge castle has crumbled to dust
Phew! That was one mean explosion we got there.
What if Sara was swallowed by the blast?

I don't think so!

Huh?
What do you think of it, Ryu?
What? I'm feeling stressed!
Prepare to fight, NOW!
That's so unlike you, he hehe.
Behind sis and Judas
I've never felt such dark energy before!
THAT'S THE SOURCE!

OUR GREAT GODDESS, MYRIA!
That's... MYRIA!
Yes! She is my master, the true ruler of the universe...
That's right. It's the nightmare from 2000 years ago!
Is that ...!?
IT CAN'T BE!!!

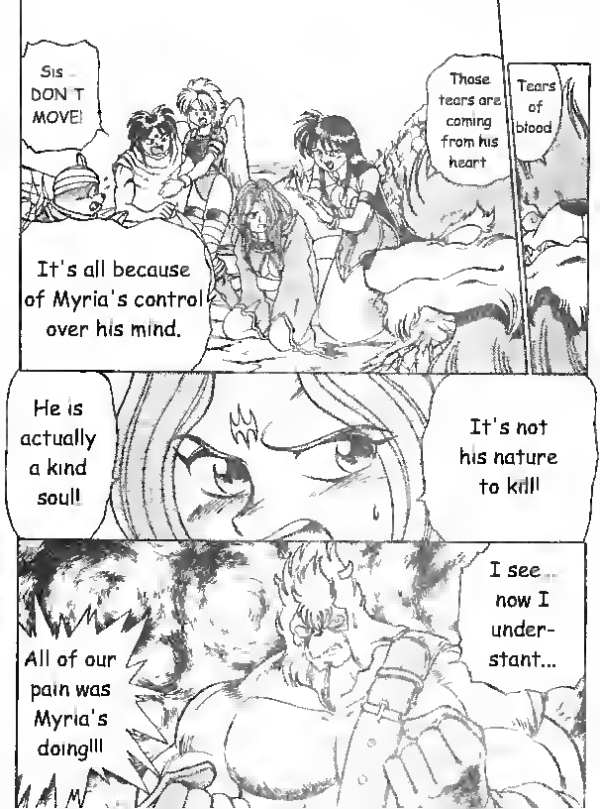
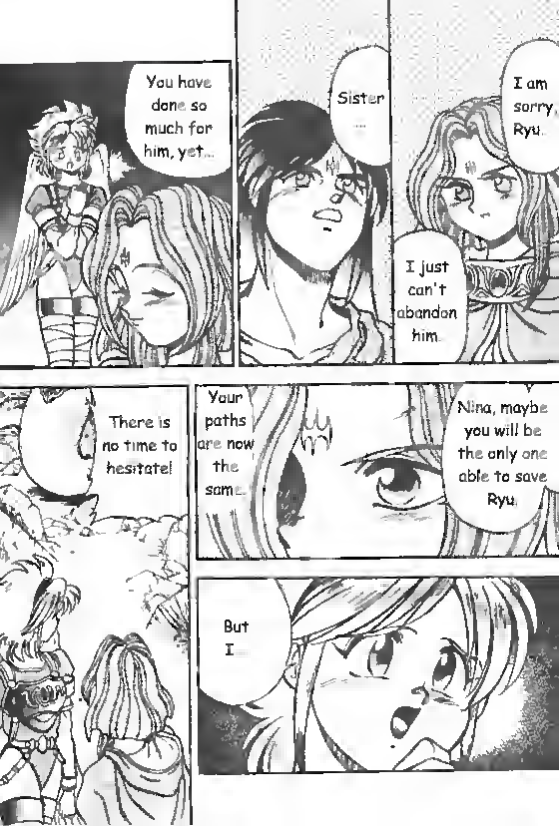
You wretch!
Look! His eyes are... bleeding!
If you betray our master
I must KILL YOU AS WELL!
Those look like bloody tears!



Sis... DON'T MOVE!
Those tears are coming from his heart
Tears of blood
It's all because of Myria's control over his mind.
He is actually a kind soul!
It's not his nature to kill
I see... now I under-stant...
All of our pain was Myria's doing!!!

You're still wounded!
Don't do that!
I'll face them!
Here they come.
You guys go.
There's no turning back for us.
Our hands are already tainted with blood.
To me...
He's the most important person.
To fight for your loved one!
Also, just like you guys, I've got a reason to keep going.



You have done so much for him, yet...
Sister ...
I am sorry, Ryu.
I just can't abandon him.
There is no time to hesitate!
Your paths are now the same.
Nina, maybe you will be the only one able to save Ryu.
But I...

Ah!?
Hurry up and finish your business!
How is that?
And ...
Better than going nude, I suppose
Yes!
Now go!
Get back your loved one!

YOU WANT TO BE THE FIRST ONE TO DIE!?
SARA!!!
THANK YOU EVERYONE! PLEASE LOOK AFTER RYU!
Tch! Non-sense!
AWAKEN JUDAS!
YOU DON'T WANT TO DO THIS!
NOW GET OUT OF HERE INMEDIATELY!

Aah!
RAARRRGH!
Why don't you ATTACK ME!?
Why?
If you interrupt them her efforts will be wasted
Sora wants to recover his true heart!
But...!
Sis!
Don't interfere!

Sis... WHY!
She's not even trying to dodge!
Aah!
YOU SHOULD BE ABLE TO DODGE THOSE ATTACKS!
YOU WILL BE PLEASED ONCE YOU KILL ME RIGHT!
GO ON! DESTROY ME ALREADY!
What is the matter Judas?
I am still fine!
THAT WAY YOU WILL BE THE ONLY ONE SERVING MYRIA!

Judas
I
Why!?
Why am I killing Sara right now!?
Judas, YOU CAN BATTLE YOUR INNER DEMON!
!!

What's wrong with him?
It's stress!
WUOH!
Judas' mind is struggling for freedom, but his body gave out.
Right now he is in hell facing Myria!
Too bad!
Such a tasty-looking girl... What a waste.

"CAST"
If you want to creep any closer than this, then...
YOU'LL HAVE TO KILL ME FIRST!

But... LEAVE MYRIA TO ME!
YOU GUYS MUST ESCAPE!
I don't even know what to say... how to start apologizing...
Judas...
Ryu!
BUT OUR OWN CITY WAS DOOMED DUE TO HIS AMBITION CONTROLLING HIM!
Back then, it was Zorgon's plan to have Sara follow your group and interfere as needed.
AND ALL OF THAT IS MYRIA'S DOING!
Now, everyone is filled with rage and hatred...
Everyone lost their families after that incident!

I'll deal with this!
Take Sara with you!
No!
She wishes to see the anihilation of human-kind for amusement!
Her goal is no mere world domination.
I won't escape!
...I'm going with you!
But Sara!
She is the embodiment of all destruction!
Go Ryu!
Fulfill your mission!
Not again sis...

Sara from the light dragon clan!
And also his wife ...
Judas, dark dragon's general
I will be your opponent!
Keh!
We all give the best of us for our loved ones
Are all women from your clan as strong-willed as you?
KA H!

With one hell of a party!
Alright, let us proceed with the wedding...
SARAA!!
JUDAAS!!

You brought this upon yourselves
Hmph! That is what you get for your petty rebellion
GAAH!
Be-gone... TURN TO DUST!
M...MY SISTER!!!

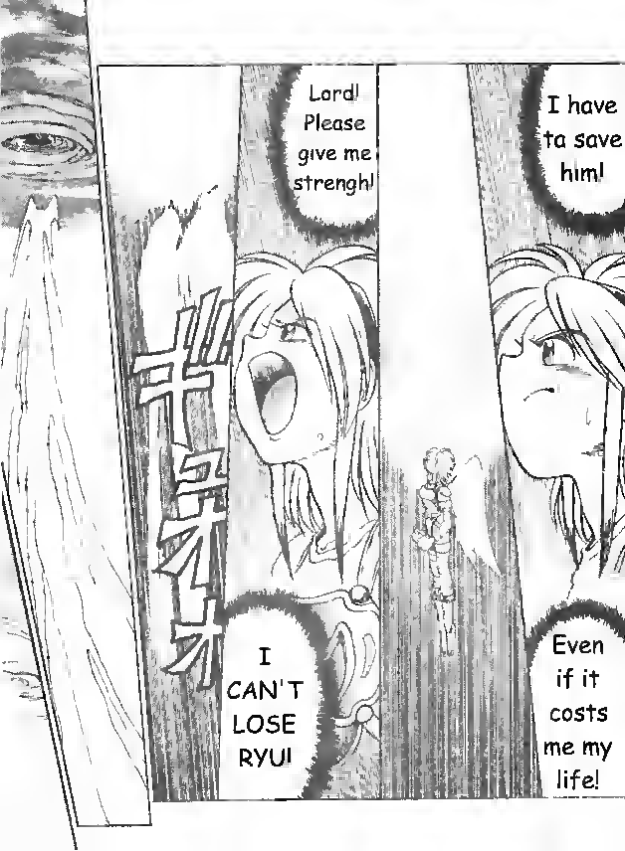
MYRIA, DAMNED MONSTER!!!
CALM DOWN RYU!
No! You can not defeat her dominated by hatred!
Hee!

ドキャ

Oh no! This is not good!
RYU!!!

FOR YOUR CLAN'S REPEATED OFFENSES, NOW I SENTENCE YOU TO AN ETERNITY OF PAIN.
Why, I think it is even feeding me So nice of you
You realize it, don't you Your murderous rage can not destroy me
What is wrong, 'dragon warrior'?
Oww, damn!
HISTORY WILL NOT REPEAT ITSELF!
YOU ARE HELPLESS! YOU HAVE NO MEANS OF DES-TROYING ME AGAIN!

NO, RYU!!
NINA! DON'T GO!
It's too late!
Do you know about Soul Eaters? They will slowly erode your spirit while you are still conscious.
That portal leads to their dimension! You will not be able to escape their nest once you get there. You will feel eternal pain, unable to die!
WAAAAAH!!



I have ta save him!
Lord! Please give me strengh!
Even if it costs me my life!
I CAN'T LOSE RYU!

THE DRAGON WARRIORS ARE NO MORE!
Foolish girl. She went to hell on her own.
NINA!! RYUU!!
ONCE I GET RID OF YOU THE DARK DRAGON ARMY IS MINE TO COMMAND!
Possesing and empowering people filled with hatred is what I do best!
NOW IT IS YOUR TURN TO SHARE THEIR FATE!
Remember why we're here now
Don't be afraid!
WE'RE NO MATCH FOR HER!
We can't do this!

Foolish mortals!
That's right. They'll definitely be back!
LET'S DEFEAT THAT WRETCH TOGETHER!
WAAGH!
You will all die here.
Tch!
Don't be silly.

What?
!?
Ryu is gone, and soon...
But that's impossible!
You will share his fate.
That mark!
Ryu's scar!

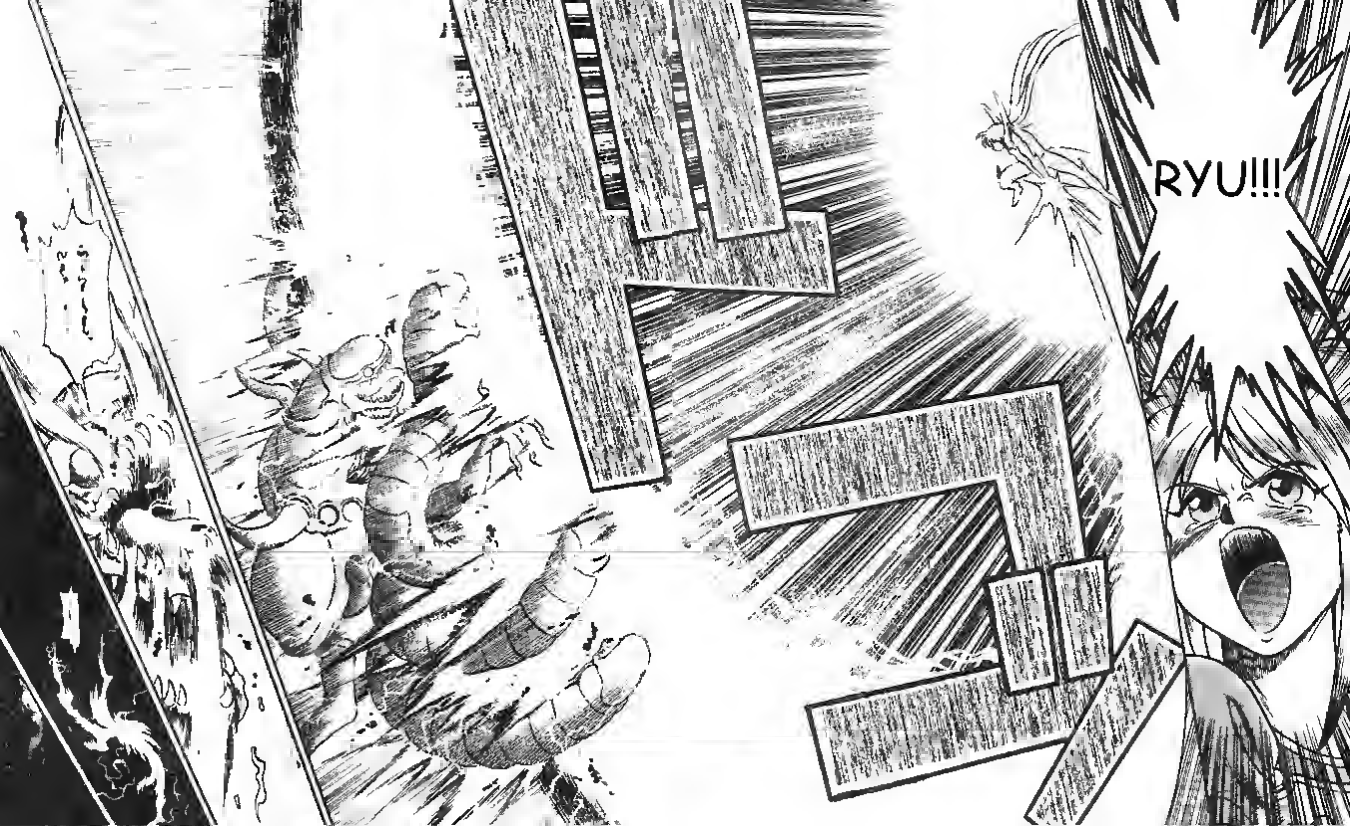
RYU AND NINA!
His power shaped itself as armor
Your power has risen yet again!
YOU AL-RIGHT!?
No prob.
Guys, please take care of Nina

Ku ku ku kuh!
Slay me? ME?
ME!?
Now I know...
HOW TO SLAY MYRIA!
Her life gave me power!
I AM RIGHT HERE, COMING AT YOU!
COME AND GET ME, BRAT!

Don't hate her.
That's all there is.
But shadows can't move by themselves.
Light creates shadow.
They all gave me the key!
Judas, sis... and Nina!
I saw friends, family, the villagers, that dark dragon soldier...
Back when my soul was getting weaker ...
Friend, foe, everyone.

TOGETHER TO DEFEAT MYRIA!
Let's work together ...

She is like a flame!
The hate people feel for her is like oil.
It just feeds the blaze!
So now, I'll crush that flame!
GO FOR IT RYU!
WE'RE ALL CHEERING FOR YOU!



RYU!!!

The soldiers then returned to their homeland
After the incident the dark dragon army disbanded
Myria was finally defeated
They gave up their weapons and went back to farming
But she may still come back in the future
So what we just did...
Was like extinguishing a blaze from a forest
That lone dark dragon soldier also joined them
国

Went back to their own villages.
Gilliam and Mogu...
Builder adopted Danc.
As for Dels ...
Manillo went to do the usual ...
-And us...
I think I'll stick around for a while. It's too soon to return to my slumber

Hey Ryu...
